

# CLEANSE AND TONE IN ONE

CHOOSING A COMBINATION CLEANSER AND TONER IN ONE IS A GREAT WAY TO ADD CONVENIENCE INTO YOUR SKINCARE REGIME – AND EXTRA ROOM IN YOUR BATHROOM CABINET, WITHOUT SACRIFICING THE NEEDS OF YOUR SKIN.

Using a combination style product, particularly one based in a creamy formulation, can be just the answer for those with normal to dry, very dry and sensitive skin types. For these people, a creamy combined formulation can be gentler on the skin yet still highly effective in removing excess oil and make up, leaving the skin feeling fresh and dewy. The inclusion of witch hazel, a well-known plant extract that displays soothing and regenerative properties, provides a pleasant but gentle toning effect.

A'kin Rose & Geranium Pure Creamy Cleanser & Toner in One is a light, creamy formulation, ideal for use on even the most sensitive of skins. It is enriched with certified organic shea butter and

olive squalene to gently remove face and eye makeup whilst the witch hazel mildly tones the skin. Even better, if you're on the go, there's no need for water, simply apply and tissue off for beautifully fresh and toned skin.
