

MUSASHI SLM

SLM RANGE FROM MUSASHI HAS HAD A FACE LIFT WITH NEW PACKAGING AND REFORMULATIONS. INCREASED LEVELS OF DIETARY FIBRE IN THE NEW POWDERS HAVE BEEN ADDED TO AID

Musashi SLM provides a complete range that includes not only a Meal Replacement powder, but a Fat Metabolising protein powder and a High Protein powder, so you can tailor the products to your own needs.

The energy bars have been redesigned and two new low-carb bars added to the range to provide a great selection to keep you going all day.

If your goal is to manage your weight and do it in a sensible, sustainable manner, complemented with physical activity, SLM will help you achieve your goals.

Use in conjunction with a balanced diet and exercise.
